

People are attracted to you because of your dynamic nature, and your interest to get things going. You have the tendency to speak what's on your mind at any given moment, willing to reflect on your thoughts after they've been shared. A hands-on learner, you enjoy quick engagement to action. Reading an instruction manual may only occur after things don't line up. Intuitive by nature, you feel successful when you trust your intuition. Your task focus seeks quick results, with a strong focus on goals. You are comfortable taking the initiative in situations. You have the ability to make decisions quickly and effectively. You exhibit a strong and high range of emotional expression. What may be seen as screaming by some is in fact, a comfortable mode of expression for you. With your strong orientation to action, you have a tendency to speak early, and often in conversations. You can express yourself dynamically with flare.

You are most energized when involved in a creative brainstorming process. Rather than seeing 'a way', you see many ways, and enjoy of the process of exploring possibilities. When involved is completing tasks, you tend to analyze all the way through the process, always willing to explore that which isn't obvious. You can be ambiguous when giving instruction or directions, although it is clear to you what you're saying. You have the ability to make conceptual leaps in your thinking process, seeing an end result or building a vision, having the ability to picture the results of a course of action. You may not always have clarity on how best to build the plan to achieve that end result. Flexible in your thinking, you can effectively engage others in creative thought and can appreciate others points of view. You enjoy ideas for ideas sake, and can get excited about possibilities, picking one idea and building a result can be a challenge. You enjoy the process or journey associated with getting results, mindful of peoples 'attitudes' in the process.

You are socially gifted and highly skilled at building relationships. Always been a good listener and someone that people gravitate toward. You gain great energy being with people and are always appreciative of being invited into social opportunities. Many could see your life's work in building relationships. You seek collaboration to get things done and feel successful when all people are engaged. Trust begins with the start of a conversation. Would have the intrinsic desire to take a culture of hopelessness, and build it into a culture of hope and empowerment. In times of change you can get caught up in the emotional trauma of others and really need to focus in on the personal impact the change has on you. When dealing with conflict you prefer to engage in discussion until the conflict is resolved, although it may be difficult to start the conversation.

Enjoy consulting with others, eager to hear their opinions. You are drawn toward team skills such as empowering others, delegating, sharing responsibility, building engagement, synergy and collaboration.
